

Beringer Bowl — Man of War (MOW) Competitors

Overnight JAM course (Marblehead → Provincetown) · MOW = sail 32559, C&C 41, Chris Lubeck, Eastern YC · PHRF rating 1.016 (Fleet F)

Sorted by handicap (Time-on-Time factor, high = faster-rated). MOW is the 3rd-highest rating of 12 — it OWES time to 9 of its 11 rivals (only Bora & Goldeneye owe MOW).

Fleet F — MOW's scoring class (7 boats)

Sail	Boat	Type	Owner	Yacht club	TCF	vs MOW /hr	vs MOW (~8 h)	AIS / MMSI
52496	BORA	X-37	Api Rudich	Eastern YC	1.020	+14	+1:55	—

51743	TRUANT	Pearson 303	Matt Bachman	Swampscott	0.849	−601	−1:20:10	—

HANDICAP = Time-on-Time factor: corrected time = elapsed × factor (lower corrected wins; higher factor = faster-rated boat, so it must sail faster to compensate). “vs MOW” = (their factor − MOW 1.016) × elapsed. + = the boat OWES MOW (must beat MOW across the line by that much to tie on corrected). − = MOW OWES the boat (MOW must beat them across the line). “/hr” = seconds per hour of elapsed; the “~8 h” column applies it to this race’s ~8 h expected elapsed (light air, ~40 nm) — scale it to your actual finish time using the /hr value.

AIS / MMSI: not in the entry sheet. Club racers usually aren’t reliably identifiable by boat name — for MOW alone there are ≥3 US “Man o War” AIS records (MMSI 368191460 / 367567220 / 367627370) and none is confirmed as this C&C 41, so no MMSI is assigned here (a wrong number is worse than blank). To track rivals tonight: search each name on MarineTraffic/VesselFinder if they transmit AIS, or enter known MMSIs on the SailFrames race dashboard. Confirm MOW’s own MMSI from the VHF/DSC registration.
